+91 9048201625 · hemanthravi757@gmail.com

A passionate Product Designer with over 6 years of experience working with both product and service companies, across B2B and B2C products, including Retail and E-commerce, Fintech, Healthcare and CRM solutions. Currently based in Bangalore, India. Driven by curiosity for continuous learning.

EXPERIENCE

UX Designer

Target Corporation India Pvt Ltd

Retail and E-commerce
Bangalore, Karnataka, IN
May 2025 - Present

Discovered, designed, and enhanced multiple core UI components for the Canvas Design System at Target through in-depth user research and close collaboration with cross-functional teams and stakeholders to ensure scalability, accessibility, and consistency across digital products.

Founding UX Designer

Ting (Mid Night Magic Pvt Ltd)

Social & Entertainment
Bangalore, Karnataka, IN
Sep 2024 - May 2025

A startup company built a personal event management B2C app, designed to help people celebrate life's special moments effortlessly.
Designed MVP from ground up for beta run. Contributing to product design, user research, business strategy, API integrations, and fundraising efforts.
Closely collaborated with front-end and back-end developers to ensure seamless design-to-development handoff, optimize performance, and cost saving.

UI/UX Designer

Codemonk

Service & Consultancy
Bangalore, Karnataka, IN
May 2023 - Oct 2024

Designed and led multiple client projects. Took ownership of Rhythm, a UI component library that served as the foundation for building design systems across projects, ensuring consistency and scalability. Collaborated with a talented design and cross-functional team. Ensured seamless engineering handoff and conducted design reviews and usability testing.

Product Designer

Volopay

Fintech
Bangalore, Karnataka, IN
Jun 2022 - Nov 2022

Contributed to the design revamp of Volopay's mobile and web applications. Created the Fly Design System to ensure consistency and scalability for the mobile app.
Collaborated with the team on the "Corporate Cards" module to deliver design solutions across mob and web platforms.

UI/UX Designer

Piserve

Service & Consultancy
Kochi, Kerala, IN
May 2021 - Jun 2022

Led the web application design for InspireU, a startup incubator by Saudi Telecom Company (STC). Conducted product meetings to align design with business goals and technical constraints. Collaborated with stakeholders, and overseeing engineering handoffs and design documentation

UI/UX Designer

BestDoc

Healthcare, Fintech

Kochi, Kerala, IN

Mar 2019 - May 2021

Designed healthcare software solutions from the scratch including Hospital Payment and Billing Systems, Tele-Consultation Software, Queue Management, and Concierge Services, delivering remote access solutions during the COVID-19 pandemic to manage hospital crowds. Collaborated with product teams, engineers, and hospital authorities to create intuitive patient relationship management products.
